

INSPIRED MOLECULAR SOLUTIONS™

JOB OPENING

Our company: Kemin – Inspired Molecular Solutions™

Kemin (www.kemin.com) provides „inspired molecular solutions” specifically developed to provide nutrition and health benefits for humans and animals. Committed to feed and food safety, Kemin maintains top-of-the-line manufacturing facilities where approximately 500 specialty ingredients are made for the global feed and food industries as well as the health, nutrition and beauty markets. A privately held, family-owned and operated company, Kemin has more than 2,000 employees and operates in more than 90 countries with manufacturing facilities in Belgium, Russia, Brazil, China, India, Italy, Portugal, Singapore, South Africa and the United States.

KEMIN ANIMAL NUTRITION AND HEALTH – EMEA is seeking a:

SALES MANAGER POLAND

We are looking for a commercial person who has knowledge of animal nutrition and feed market. This candidate will manage the business in the region (north-west of Poland). The candidate must want to work in an international environment.

Responsibilities:

- Support the further development of Kemin’s commercial activities in Poland
- Planning and support of the technical product development and the performance of tests, experiments and follow-up of the results
- Co-ordination and development of marketing and promotion (i. e. documentation, exhibitions) in accordance with the image and general policy of the company
- Manage and implement existing and new sales projects
- General Management of the Customer file

Qualifications & Experience:

- University degree in agriculture or equivalent by one’s experience
- Knowledge of animal nutrition
- Good communication and social skills
- Be able to communicate in English language
- Sense of responsibility
- Willingness to travel extensively throughout Poland including overnight stays

Offer: This position offers a competitive remuneration package which will reflect the importance of the role as well as the opportunity to work for a rapidly growing international company.
